I have attached a script for the follow-up calls. Please feel free to make it more eloquent. Is there anything else you think we should say or any questions you think they may ask?

I just realized you may need to have a contact in my absence to check calendars. I am going to check to see if there is someone who could do that while I am gone. Otherwise, maybe we should hold off on making the calls, till August 19.

Thanks!

Valois
